

Nursing Home Management System

Running the Project

1. Open Command Prompt

```
cd C:\Users\risha\Notepad++  
cd nursinghome
```

2. Set CLASSPATH

```
set CLASSPATH=.;C:\Users\risha\Notepad++\nursinghome\jfreechart-1.0.19.jar;C:\Users\risha\N
```

3. Set JDK Path

```
set PATH=C:/jdk/bin;%PATH%
```

Replace C:/jdk/bin with your JDK installation if different.

4. Compile

```
javac splash.java
```

5. Run

```
java splash
```

The splash screen will start and then the Nursing Home Management System will launch.

Troubleshooting

- Ensure Java JDK is installed.
- Verify both JAR files are present.
- Run all commands from the project folder.

Technologies

Java, Java Swing, JDBC, SQL, MS Access, JFreeChart
